UniFi Equipment Finance Promotes Sondakh to Relationship Manager

Ann Arbor, Michigan, May 6, 2015 – UniFi Equipment Finance recently announced the promotion of Ricardo Sondakh to Relationship Manager.

In this role, Sondakh is responsible for supporting the growth of UEF’s vendor vertical. Mr. Sondakh joined UniFi in January 2014 and completed a year of training prior to the promotion.

“Rico has made incredible strides in learning how we support our vendor partners in a short period of time” said RJ Grimshaw, President, for UniFi. “Rico learned how UniFi processes business, from documentation to underwriting and now will use that knowledge in assisting our partners in their growth. I’m confident that his passion and personal background will make him a great asset to our business, culture and mission.” Continued Grimshaw.

About UniFi Equipment Financing

UniFi—formerly known as Ervin Equipment Finance—founded in 1978, is a well-established equipment leasing and finance company headquartered in Ann Arbor, Michigan. UniFi is the market leader for HVAC financing. The company has a national presence in the small ticket vendor space servicing the general equipment categories with emphasis on strong service and self-underwriting solutions. Ervin Equipment Finance was acquired by Bank of Ann Arbor in January 2013. For more information please visit www.unifiedge.com.
