UniFi Adds Portfolio, Asset & IT Manager

ANN ARBOR, MI, April 25, 2017 – UniFi Equipment Finance announces the addition of **Tony McHugh** as **Portfolio, Asset and IT Manager**.

McHugh comes to UniFi with more than 20 years of experience within the credit management industry, serving customers both nationally and internationally. Tony has managed collections and default recovery units, business processes, credit and capital units, as well as client services for a number of globally known companies. Much of his time has been spent in Australia, Asia-Pacific, Ireland and the United Kingdom.

Some of Tony's greatest strengths are his extensive knowledge of working capital management, partnership development, risk analysis, leadership and debt restructuring. These key assets will prove to be beneficial in his new role at UniFi.

"UniFi is very fortunate to attract Tony, who brings fresh ideas in serving our partners. He has global experience in the leasing industry which will make an immediate impact," said RJ Grimshaw, CEO of UniFi Equipment Finance.

McHugh completed a degree in Electronic Engineering and Computer Programming from RTC Tallaght in Ireland before earning a Diploma in Financial Services with a focus on Credit Management from the Institute of Credit Management Australia. In addition to his academic achievements, Tony also earned a Six Sigma Green Belt through Hewlett Packard Financial Services.
